The contentions urged by Mr. Dabke are without substance.

Rules 10 to 13 merely prescribe the procedure to be followed insuits which would fall under the Rent Act and have no reference to the jurisdiction of the Court. If a Court is invested with the Small Cause Court's powers, it has to follow the Small Cause Court's procedure in the Rent Act proceedings before it. The other Courts will follow the ordinary procedure laid down in the Civil Procedure Code.

No action is necessary.
